Dear Parents/Carers

During Terms 3 and 4, the structure of The Jannali High School and Partner Schools Enrichment Program will change. The reason for the new structure is to provide students who have already participated in the original 18 week Enrichment Program in Terms 1 and 2, the opportunity to take part in additional Enrichment Workshops. It also enables new students who have a passion for a particular discipline, to attend a shorter, four week workshop.

Students may elect to enrol in one or all of the four week workshops. There is a $120 fee for participation in each four week course. Payment needs to be made to the school prior to commencement of the workshop by cash, cheque, EFTPOS or online via the school’s website.

The following workshops will be offered in 2016:

**Term 3**

**Electric Circuits** (more challenging)  
(Tuesday 26/07/16 – 16/08/16 and Thursday 28/07/16 – 18/08/16)

Get ready to be charged! For the budding scientist, this four week journey will cover the basics of electric circuits; both parallel and series. You will have the opportunity to participate in a number of hands-on experiments and activities aimed at building your understanding of how electricity works.

Using your new found knowledge and problem solving skills, you will build simple devices powered by electricity. This course will cover voltage, current, resistors, switches and much more?

If you aspire to be an engineering guru, this workshop is for you.
Exploring Mythology  
(Tuesday 23/08/16 –13/09/16 and Thursday 25/08 –15/09/16)

Behind every culture there is a fascinating story that unlocks the mysteries of the world. During this four week workshop you will:

• Come on a journey to Ancient Egypt as we examine the life of a pharaoh, their gods and goddesses and their eternal quest for immortality.
• Take to the sea as we learn about the nautical Norse and Viking explorers, and take to the sky as we learn about the gods and goddesses they worshipped.
• From Pegasus to Poseidon, look at the rich mythology of Ancient Greece and Rome.
• Delve into the world of African legends and visit the Far East.

Then try writing your own myth.

If you love exploring the mythical world, you will love this workshop.

Term 4  
History’s Mysteries Tour (need good research skills)  
(Tuesday 18/10/16 –8/11/16 and Thursday 20/10 –10/11/16)

Enter the tour and find out how your fascination with history will help you unlock the answers to some interesting unsolved mysteries. Do you love being a detective, then find out how real investigators ask questions, check information and problem solve to find answers to some unusual historical puzzles.

You will also explore past civilizations, some of the riddles of famous phenomena of the past and crystal skulls!

Join us on a four week journey of discovery into the interesting other world of history.

The Science Surrounding You  
(Tuesday 15/11/16 –6/12/16 and Thursday 17/11 –8/12/16)

Do you love science? Are you a person who asks that question that begins with ...How...? Are you interested in how science fits into the world around you?

In this hands-on workshop you will be busy with experiments which investigate the science in your home, the school playground, the movie theatre and even in the universe.

Find out the facts about the world that surrounds you whilst having fun.

2016 School Term Dates For Students:

**Term 3:** Tuesday, 19 July – Friday, 23 September
**Term 4:** Monday, 10 October – Friday, 16 December
• Please ensure that you make adequate arrangements for transporting your child to and from The Jannali High School.

• Students cannot be supervised before 9.15am or after 3.20pm. Please do not drop students off before 9.15am and please ensure they are collected by 3.20 pm.

• If your child will be absent on any day of the program, please contact Kerrie Sheppard or leave a message with the The Jannali High School Office Administration staff on 9521 2805.

• Students may purchase their lunch from The Jannali High School canteen.

• If you have a personal / industry contact or you have access to an interesting or unusual excursion venue and would be beneficial to the program then please let us know.

**Common questions (and answers) about the Enrichment Program**

*Where do I go on the first morning?*
Students and their parents should go to the school office where they will be directed to the Learning Centre in the Library.

*How long is the day?*
Class starts at 9.30am and finishes at 3.20pm each Tuesday.

*How do I get to and from The Jannali High School?*
Your parents will have organised your transport to and from The Jannali High School. Make sure you have talked to them about this and that you understand the arrangements clearly.

*What do I need to bring?*
You will need to bring with you each week: pens, pencils, ruler, eraser, coloured pencils or textas, and a display folder for filing workshop sheets. You can buy your lunch from the canteen but you will need to bring your own recess.

*What if I’m sick or cannot attend one day?*
If you are ill or unable to attend, your parents need to ring the Jannali High School Office on 9521 2805 between 8.30am and 9.00am.

We hope that you will find the workshops challenging, but most of all, enjoyable!
